| 120 Credits Needed for Graduation | | 60 | 60 |

†*Per APUS' Junior Advantage policy, students with a conferred associate or bachelor's degree from a regionally or nationally accredited institution will receive at least 60 semester hours of credit in eligible bachelor's programs to effectively satisfy all General Education requirements and some/all General Elective requirements (excluding Required ). Students who transfer a conferred Associate of Applied Science (AAS) or Associate of Applied Business (AAB) degree are not eligible.*

*Credit variances in academic placement and credit award can occur based on student course selections and APUS' program requirements.*

**Any transferable course not used to fulfill General Education or Major/Concentration requirements may be taken. Please note remedial/developmental and vocational credit is not transferrable.*

**Note:** *In order to transfer courses to APUS, the student must earn a grade of "C" or better.*
